Pavlov: Yes, we have. There is only one thing in it our parties can`t agree to. That is the 5% increase in the price.

Green: Well, you must try to see the price from our point of view. Over the past three years metal prices have gone up. Besides because of the new labour contract, we had to increase wages. Therefore we had to increase the price of our machine-tools.

Pavlov: Yes, we have taken this into account and yet your prices seem to be high. We have been in business with your company for a long time and we hoped you would offer us better terms.

Green: I suppose if you could accept consignment (deliveries) by installments in the current year we would reduce the price by 2%.

Pavlov: That is fine, thank you very much.
