2. Вивчіть таблицю:

 When we speak about work we often use such words <i>employment, job, occupation, profession, trade</i> . They are synonyms but there is a difference between them. Read the explanation for these words:	
employment	is a formal or official word that means having paid work.
job	is a particular type of paid work that somebody does or is trained to do.
occupation	is a more formal word than job and is used in written English, for example on forms and official documents.
a profession	is a job which requires higher education and special training.
a trade	requires practical training and skill with hands.
